Mounting

Mounted directly to finished surface with the recessed circular canopy. Standard configured as hard-wired to be installed directly, but can easily be re-configured to plug-in (More details about this in the installation manual).

Design Features

Provides ambient, accent and task lighting

Compatible with standard GU10 LED

The adjustable shade emits glare-free, downwardly directed light

Part of the Patrone Lighting Series

Designed, crafted and finished by hand in Copenhagen, Denmark

Materials

The fixture of the lamp is made from solid brass. An individually surface treatment of each fixture enhances the material with a refined and unique finish. Variations in colour may occur and must be considered as an inherent and unique part of the hand-finished product.
